Foreword

Dear Students:

In this, your annual, we the editors and staff, have attempted to give you a glimpse of outstanding activities and clubs from the school year of 1948-1949.

We can never forget this school year, with its laughter, disappointments, and anxiety. In years to come we'll look back on such events as the basketball and football games. The games wouldn't have been right without the weekly pep assemblies that were kept going by our vivacious song and yell leaders, and the "corny" Collect-O-Pep skits. Nor will we forget those yellow slips for first period tardiness, the worry over dates for the G. A. A. Dance and the junior-Senior Prom, the terrible rush for the cafeteria line, or the voice of Mr. Skinner over the P. A. system. Yes, this was a wonderful school year.

We hope you the readers enjoy this annual as much as we the staff enjoyed making it for you. Much credit is due to Merril Lewis for his faithfulness in rounding up write-ups; to Millie Engle for her clever art work; to Virginia Ruffner for her many hours spent on feature articles; to Priscilla Tennis for her all around good work; to George Baumgardner for his outstanding pictures; to Bruce Brown for athletic statistics; to John Waugaman for hard work gathering advertisements; to Mr. Dawson, our advisor; and to the entire staff for their good work. We hope this annual will help you reminisce in the years to come.

Sincerely yours,

BEVERLY WITHYCOMBE, Editor.

Dedication

Miss Ethel Hamblin Miss Audrey Showalter

We the students of Mac Hi lovingly dedicate this annual to two of our most respected and beloved teachers, Miss Hamblin, and Miss Showalter.

Who's Who of 1949

DELLA HARSHMAN — When dependable Della Harshman came to Oregon some Montana High School lost a quiet but most capable leader. Della served as editor in chief of the McMinvillan this year and early morning and late evening found her blond head bent industriously over the long table at the rear of the Journalism room. Della had a part in the A. S. B. play, "A Date With Judy." She was elected to membership in the National Honor Society in her senior year.

DICK STRAYER—Diligent Dick Strayer, who leaves his diligence with plently of good humor, was our very popular and successful student body president. Dick leads his classes in scholarship and was elected to Honor Society in his junior year. He has been active in football and served on numerous responsible committees.

IRVIN HANVILLE—Indispensable Irvin Hanville is a trustworthy, wear-well person who is as much admired by faculty members as by students. Irv has served as M Club president this year, played tackle on the football team and played tournament basket ball at State this year. Irv is very active in F. H. A.

GEORGE WARMINGTON—Group leader George Warmington seems to gravitate naturally to the president's chair no matter which group he joins. George has served as president of F. F. A. for two years and Honor Society this year. He was chosen Parliamentarian for the UN Model Assembly. He was also chosen star dairy farmer of the state.

DENNIS ATKINSON—Dapper Dennis Atkinson is a handsome senior who spells sports with a capital S. for he not only plays basketball very-well-indeed, but also writes most completely of sports for the McMinnvillan and the Telephone-Register.

MARY ELIZABETH BEELER—Matchless Mary Beeler is a red-head whose energy, efficiency, and gay, good spirits have brought her many honors. Mary was president of G. A. A., starred in tumbling and volleyball, was elected Homecoming Queen, and is a member of the National Honor Society.

CAROL TUGGLE—Charming Carol Tuggle served this year as president of Girl's League, an office which carried a multiplicity of duties and much responsibility. Carol has had major leads in two A. S. B. plays, "A Date With Judy," in which she played the title role, and in "Double Door." Her voice on the loud speaker is almost as familiar as Mr. Skinner's, since she did publicity for most of the organizations in school. She is also a member of the Honor Society.

BEVERLY WITHYCOMBE — Businesslike Beverly Withycombe earned her title this year by serving in two major positions—editor of the yearbok and vice-president of the student body in charge of assembly program. Bev is characterized by cool poise and a certain svelte sophistication that never deserts her whether she is playing a part in "Ring Around Elizabeth" or "Almost Eighteen." Bev was elected to Honor Society in her Senior year.

Junior Class

Under the direction of Mr. Klein, Mrs. Johnson, and President Harold Toliver, the junior class has had a most successful year. The class of '50 was very much in evidence in every school activity. They were well represented in dramatics, music, athletics, the speech department and many other extra-curricular activities.

For the second year the Junior booth was in operation. This was a very welcome addition to Mac Hi.

In keeping with the tradition, the Juniors honored the Seniors with a banquet and Prom in the spring. They were also in charge of decorations for the Commencement Exercises.

The class officers chosen at the beginning of the year were: President, Harold Toliver; Vice-President, Jerry Florey; Secretary, Joan Ferris; Treasurer, Loren Christensen; and Sergeant-at-Arms, Delbert Munro. The junior representatives for the student council were: Don Well, Dovie Waits, John Newcomb, Joanne Frink, Priscilla Tennis, Virginia Schreiber, Dick Wiser.

Several of the after-game dances were sponsored by the junior class.

Three all-school assemblies and two theater parties were included in the program. Whenever called upon the Chapter served in various capacities during the school year.

To become a member of the Chapter a student must be scholastically in the upper third of his class. Only Juniors and Seniors can belong. His classmate and the faculty then submit their ideas in the form of a qualification jacket which consists of service, leadership, and character to the faculty council. The faculty council then decides which students shall be members of the Chapter. The year 1948--49 has been exceptionally outstanding for the Mac FFA chapter. The boys have won numerous banners, trophies, and plaques from individual showing and exhibiting. The judging team has brought home several 1st, 2nd and 3rd place banners this year. Parliamentary won first in the district contest and also took first in the state contest.

The awards given to the boys for their individual practice were also numerous.

1. George Warmington—State and Star dairy Farmer.
2. Stewart Worthy—Best yield award for hybrid corn.

The aims of the FFA is to make better farmers, dairymen and ranchers for the future. This is a hard job and only through proper training and hard work can this problem be solved. The boys who join the FFA have the chance to learn farm business, community co-operation, and leadership. These are the essential factors for a successful farmer to know.

The various awards and ribbons that the boys win while they are in school give them hope and determination to do a better job next time. The diversity of the FFA provides a chance for any farm minded boy to excel in his particular field.

An outstanding football player in his own right as was shown by his recent achievements for the Oregon State College squad, Coach Bob Dungan has been a great help as line coach in football as well as being wrestling coach. This is Mr. Dungan's first year at Mac High.

COACH ROBBINS

Since Coach Oril Robbins has come to McMinnville High as head coach, the Grizzlies have won a championship in at least one sport a year. He is a superlative coach and a friend of everyone.

COACH REEDER

Recently graduated from Linfield College, Coach Lee Reeder has shown fine coaching possibilities as assistant coach in football, basketball, and baseball. This is his first year at Mac High.

Football

After losing their pre-season game to a smooth working Greshem team by a large score, the Grizzlies didn't show much promise for '48' season. But as a result of long hours of practice and about the best team spirit possible the Mac Hi team emerged from the T. Y. V. league scramble with a co-championship with Hillsboro. Although there were only six returning lettermen and numerous injuries hampered the Grizzlies, this was the third football championship in the four years that Coach Robbins has been here.

At the end of the year, center Bill Johnson was chosen captain of the 1949 squad.

Irvin Hanville, Vernon Leroy and Sammy Johnson gained berths on the T. Y. V. League All-Star team. Those receiving honorable mention were Jack Forell, John Lucey, Dave Anderson, Ernie White and Paul Jackman.

Vernon Leroy was first in the league for a scoring record with 72 points. Ernie White had 43 points, and Sammy Johnson 40 points.

Basketball

The Grizzlies, although they were sorely lacking in height, showed promise of a good year by winning four games and losing six in their pre-season schedule, which included several of Portland's tougher teams.

The regular playing season (with upsets and postponements), was probably the most irregular in the history of the TYV league. McMinnville tied with West Linn for fourth place showing a record eight wins as against six losses.

Although he was far the shortest center in the league, Irvin Hanville showed he was one of the best by finishing second in the individual scoring race with a total of 245 points. Irvin was chosen on the Leagu All-Star first team while Dennis Atkinson and Marvin Montgomery were given honorable mention.

After winning four tough games in the District 8 playoffs, the Grizzlies gave a good account of themselves in Eugene at the State Tournament. The team won their first game but lost the second to Roosevelt—the state champs. They were eliminated in their third game by Junction City, the fourth place team. Some consolation was gained in the second game when the combined scores of the two teams set a new state record of 129 points.

Dennis Atkinson has second best game average in the tournament with an average of 16 points. Although they only played in three games, Dennis and Irvin were eighth and eleventh in scoring with 48 and 47 points respectively.
